**Choate Construction**

Brent Long leads the preconstruction efforts in the Carolinas for Choate Construction. As a preconstruction professional, Brent partners with Owners and Developers to assist them in determining the feasibility and cost of new facilities. Brent appreciates and understands the construction industry through the lens of an owner and contractor, having spent over 35 years in the business and being a 3<sup>rd</sup> generation builder. Brent has worked on a variety of noteworthy projects throughout his career including the Ronald Reagan Presidential Library, Chartwell Estate, Beverly Hillbilly House, 73-story Library Tower in Downtown LA, along with multiple headquarter and manufacturing facilities for Becton Dickinson, Niagara Bottling, Pepsi, Crate & Barrel, Ashley Furniture and Staples. This depth of knowledge and past experience allows Brent to analyze each project and its unique challenges.

Brent holds a Bachelor of Science Degree from Northeast Louisiana State University.
