

Problem Solver: Efficient. Focused. Organized.

Matt is a get-it-done kind of guy. He leads Beacon Partners' build-to-suit, speculative, and tenant-improvement construction management functions, including all phases of design, construction, and occupancy. With nearly 20 years of real estate experience in the Carolinas, Matt has managed many industrial, office, healthcare, and institutional projects. Prior to moving to Charlotte, Matt graduated with a degree in Civil and Environmental Engineering from the University of Cincinnati.

Matt likes to hike the Appalachian Mountains and listen to good music. He also volunteers with organizations that focus on at-risk youth.

Matt Lucarelli, Director | Project Management
