

Josh Hauser joined Spectrum in 2021. He's responsible for managing multifamily and commercial construction projects in North Carolina. He coordinates daily with our construction, design, and consultant teams to ensure construction excellence. Prior to his career with Spectrum, he was a Project Manager for a large national general contractor.

Josh is from Lewisville, NC and has lived in the Charlotte area since 2014. He and his wife of 8 years, Whitney, met at NC State and have one son, JJ.
